While we strive to provide accurate measurements for our customers, mistakes happen.

Our goal is to help things run smoothly from shipment to installation, so if you notice any errors in our spec sheets, please let us know.

Our products are handmade & finished so you can expect a tolerance of +/- 1/4" measurements. We strongly recommend waiting until your ordered product is on-site before attempting any rough-in, carpentry, plumbing.

If you want to verify any of our measurements, please feel free to call or email us.

Keeping with our policy of continuing improvement, Venco® reserves the right to change product specifications without notice. For latest specifications, please contact Venco@directly or check our website www.venco.ca
