Neither the Committee nor the Chairman has the authority to direct Docket Control to send one of the 25 copies of pleadings and procedural orders filed with Docket Control to prospective parties.

3. The Applicant shall arrange for the timely publication and posting of notice of the hearing, in a form approved by the Chairman, at locations discussed and agreed to by the Applicant at the pre-filing conference held on October 24, 2025. 13 5. The Applicant shall contact the appropriate member of the staff of the
14 Commission, and advise them of the Applicant's position concerning reimbursement of the
15 Line Siting Fund should the expenses of the hearing exceed the application fee, and discuss
16 financial arrangements regarding hotel reservations and other expenses of the Committee
17 Members. A.R.S. § 40-360.10. The Applicant shall advise the Chairman of the results of
18 these discussions so that the necessary information may be communicated to the
19 Committee Members.

20 6. The Applicant shall provide a copy of this Procedural Order to all other
21 parties and potential parties who have not already received a copy.

22 7. The Applicant and all other parties and potential parties shall meet and confer
23 prior to the beginning of the hearing, to determine whether any of the parties or potential
24 parties have similar interests in the application process that will allow them to jointly
25 present testimony on direct or cross-examination of witnesses, or to jointly offer exhibits
26 into evidence. The Applicant shall, and any other party or potential party may, report to the
27 Chairman the results of their attempts to resolve the issues and to determine if common
28 interests exist that will allow parties to jointly present evidence and argument or to avoid

1 repetition of testimony and argument at the hearing.

2 8. The Applicant and all other parties and potential parties shall meet and confer
3 as needed before, during, and after the hearing to attempt to resolve any disputes amongst
4 the parties. The parties and potential parties shall also keep all other parties and potential
5 parties advised of their positions and intentions with regard to the presentation of evidence,
6 witnesses, and the application process in general to avoid delay, the presentation of
7 repetitive evidence, and any unfair advantage from surprise.

8 9. Parties and potential parties shall not communicate with any Member of the
9 Committee about any procedural matters, or any factual issues or legal issues relating to the
10 Application, while the Application is pending before the Committee. The only exception is
11 that parties may communicate with the Chairman during the time the Application is
12 pending about procedural matters relating to the Application, preparation of the notice of
13 hearing and its publication, the agenda for the hearing, any pre-hearing conferences, the
14 hearing on the Application, and the decision on the Application by the Committee.
15 Communication by the parties with the Chairman about any procedural matter during the
16 time an Application is pending shall be in writing or, if oral, shall be memorialized by an e-
17 mail or other written summary with a copy of the written communication or summary to all
18 parties and potential parties, or shall be on the record at pre-filing conferences, at pre-
19 hearing conferences, or at the hearing on the Application. Any party who initiates any
20 written communication sent to the Chairman, or who summarizes an oral communication
21 with the Chairman on a procedural matter, shall file with Docket Control a copy of the
22 communication or summary, including its distribution list, within 10 days of sending the
23 written communication or making the oral communication.

24 10. Parties and potential parties shall not communicate with any Commissioner
25 of the Commission concerning the substantive merits of the Application while the
26 Application is pending before the Committee, in accordance with the requirements of
27 A.A.C. R14-3-113.

1 potential parties shall serve upon the Chairman as soon as practicable, and at least forty-
2 eight (48) hours before the hearing or meeting described in the agenda, any objections,
3 additions, or corrections to the agenda they believe are necessary in order to bring the
4 agenda into compliance with A.R.S. § 38-431.02. The objections, additions or corrections
5 shall be in writing and shall be served upon all other parties and potential parties. A copy
6 shall be filed with Docket Control. Objections that are not timely raised will be deemed
7 waived.

8 12. Service of any pleading, document, or writing upon the Chairman may be
9 made electronically to the e-mail address of the Chairman below. Service of any pleading,
10 document or writing upon parties and potential parties may be made electronically to the e-
11 mail address of the parties and potential parties. Any pleading, document or writing filed
12 with Docket Control shall include the appropriate number of copies as determined by
13 Docket Control.

14 13. All parties and potential parties shall file with Docket Control and exchange
15 with all other parties and potential parties brief summaries of the expected direct testimony
16 of each witness they will call. In lieu of a testimonial summary, a party or potential party
17 may file with Docket Control and exchange with all other parties and potential parties all or
18 substantially all of the direct testimony of any witness. In either case, whether testimonial
19 summaries or direct testimony, the parties are expected to present live testimony regarding
20 the matters set forth therein. Testimonial summaries and direct testimony shall be filed
21 with Docket Control and exchanged with parties and potential parties by 5:00 p.m. of the
22 day before the pre-hearing conference set below. Except for good cause, no witness will be
23 allowed to testify on direct examination concerning issues not reasonably identified in the
24 testimonial summary and direct testimony.

25 14. All parties and potential parties shall meet, confer, and exchange all exhibits
26 the party or potential party plans to offer in evidence by 5:00 p.m. of the day before the
27 pre-hearing conference set below. The Applicant shall, and other parties and potential
28 parties may, provide one or more three-ring binders for the Chairman and each Member of

1 the Committee to hold exhibits at the beginning of the hearing and as needed during the
2 hearing. Each party and potential party shall prepare for the Chairman and each Committee
3 Member a numbered list of the exhibits and a copy of all exhibits suitable for placement in
4 the binders that each party and potential party expects to offer in evidence at the hearing.
5 The exhibits shall be provided to the Chairman and each Committee Member at the
6 beginning of the hearing and during the hearing before reference to the exhibit is made in
7 the hearing. In lieu of copies of exhibits in paper format, Applicant may provide the
8 Chairman and each Member of the Committee a laptop, tablet or iPad loaded with
9 electronic copies of the exhibits. Except for good cause, no exhibit that was not exchanged
10 with the other parties shall be considered at the hearing. Any exhibit to which reference is
11 made during any hearing that is not offered or admitted into evidence shall be provided to
12 the court reporter at the hearing for inclusion in the record, unless it is withdrawn and the
13 Chairman determines its filing is not necessary to an understanding of the actions of the
14 Committee.

15 15. All exhibits shall be consecutively numbered, with the Applicant's exhibits
16 denominated: CC-1, CC-2 etc. Each intervening party will be assigned by the Chairman a
17 letter or letters of the alphabet as a preface with which to consecutively number its exhibits.

18 16. The Applicant shall create an exhibit summarizing all public outreach efforts
19 concerning the Application, with representatives of federal, state and municipal bodies and
20 the general public, and all comments received as a result of such public outreach, including
21 comments received at meetings, through comment cards, emails, phone calls, faxes,
22 correspondence, social media, and through the Applicant's website. Applicant shall
23 exchange the exhibit with all parties and potential parties and the Chairman by 5:00 p.m. of
24 the day before the pre-hearing conference set below.

25 17. The Applicant may make an opening statement at the beginning of the
26 hearing of no more than thirty (30) minutes. Each other party may make an opening
27 statement of no more than five (5) minutes.

28 18. Public comment may be heard after the opening statements and at other times

1 set by the Chairman during the hearing. See ¶ 4 above.

2 19. No tour of the Project Area is planned by the Committee at this time. If the
3 Chairman later decides to conduct a tour, the Applicant shall provide notice that includes a
4 map and itinerary of such tour, and will make the notice available at the hearing and shall
5 post the same on the Project and Commission websites. In the event the Chairman
6 determines that a tour or tours of the proposed locations of facilities proposed in the
7 Application is appropriate, the Applicant shall arrange for transportation for Committee
8 Members who wish to attend. The Applicant shall submit to the Chairman, before the pre-
9 hearing conference set below, a schedule and protocol agreed to by all parties and potential
10 parties for each tour. If all parties and potential parties do not agree upon the schedule and
11 protocol for each tour, the disagreements shall be submitted to the Chairman for resolution.
12 The protocol shall identify the tour route, identify the location of any stops, and identify
13 any witnesses who will accompany each tour. Counsel may ask brief explanatory questions
14 of the identified witness or witnesses during the stops about the location, what can be seen
15 from the location of the stop and the relevance of the location or view to the Application, at
16 the discretion of the Chairman. All witnesses who testify on each tour shall be sworn
17 before their testimony. All questions and answers shall be before a court reporter. No
18 testimony or discussion with or between Committee Members about the merits of the
19 Application will take place, except on the record before a court reporter at the designated
20 stops. The protocol shall provide for access to members of the public to any testimony
21 presented at stops on each tour. Members of the public who wish to observe the tour are
22 encouraged to notify the Applicant or the Chairman in advance of their intention to follow
23 and observe the tour.

24 20. Parties may present their witnesses in panels where appropriate. A party or
25 potential party who intends to present witnesses in panels shall identify the members of any
26 panel at the time it files its testimonial summaries or direct testimony.

27 21. The Applicant shall make arrangements for the preparation of expedited
28 court reporter transcripts of all pre-filing conferences, all pre-hearing conferences, and the

1 hearing, so that the transcripts are available for public inspection within three working days
2 after each hearing date, as required by A.R.S. §§ 38-431.01(D) and 40-360.04(C). In
3 addition, the Applicant shall file a certification with Docket Control that it has provided a
4 copy of the transcripts to two public libraries identified in the certification that are in the
5 vicinity of the proposed route and alternates in the Application. The Applicant shall also
6 post the transcripts on the Applicant's project website at:
7 <https://www.chimneycanyonsolar.com>. Transcripts shall remain on the Applicant's project
8 website until 30 days after the final decision has been issued by the Commission.

9 22. At or before the pre-hearing conference set below, the Applicant shall, and
10 the other parties and potential parties may, file proposed findings of fact, proposed
11 conclusions of law, the wording of any proposed certificate of environmental compatibility,
12 and the wording of any proposed conditions to the certificate.

13 23. If the beginning of closing arguments and the Committee's deliberations are
14 more than one week after the beginning of the hearing, the parties shall meet and confer
15 before closing arguments, concerning proposed findings of fact, proposed conclusions of
16 law, a proposed certificate of environmental compatibility and the wording of any proposed
17 conditions to the certificate. If the parties are able to agree upon part or all of the proposed
18 findings of fact, proposed conclusions of law, proposed forms of a certificate of
19 environmental compatibility and proposed wording of conditions to the certificate, all that
20 is agreed upon should be reduced to writing and filed. If the parties are not able to agree
21 completely, the Applicant shall, and all other parties may, file proposed findings of fact,
22 proposed conclusions of law, proposed wording of a certificate of environmental
23 compatibility and proposed wording of conditions to the certificate on the day before the
24 beginning of closing arguments and the Committee's deliberations.

25 24. If the Applicant or any other party proposes conditions based upon conditions
26 used in prior cases, each proposed condition from a prior case shall contain the case
27 number of the most recent prior certificate of environmental compatibility using the
28 language approved by the Commission. Any proposed additions, deletions or modifications

1 to the language approved by the Commission for each prior condition shall be designated
2 using the “Track Changes” function.

3 25. All pleadings, testimonial summaries, direct testimony, proposed findings of
4 fact, proposed conclusions of law, proposed certificates of environmental compatibility,
5 and proposed conditions of certificates that must be filed pursuant to this Procedural Order
6 or otherwise by law, shall be filed with Docket Control. Copies of all documents described
7 in this paragraph that are filed with Docket Control shall be served upon the Chairman, the
8 Committee, all parties, and all potential parties. Before the hearing, documents may be
9 served upon parties and potential parties electronically to the e-mail address or FAX
10 number provided by the party or potential party. Before the hearing, documents may be
11 served electronically upon the Chairman and the Committee, to the e-mail address of the
12 Chairman. Documents that are served during the hearing shall be hand delivered to parties.

14 Chairman for distribution to the Committee, and a copy shall be sent electronically to the e-
15 mail address of the Chairman.

16 26. If the final wording of the certificate of environmental compatibility that is
17 adopted by the Committee at the end of the hearing is in dispute, the Chairman may order
18 the parties to meet and confer in person or electronically to determine if they can agree
19 upon the final wording of a proposed certificate of environmental compatibility. If the
20 parties can agree upon the final wording of a proposed certificate of environmental
21 compatibility, Applicant shall forthwith hand-deliver the agreed-upon proposed certificate
22 of environmental compatibility to the Chairman for signature. If the parties are not able to
23 agree upon a proposed form of certificate of environmental compatibility, the Applicant
24 shall file, and the other parties may file, within ten (10) days after the date of the decision
25 of the Committee, those portions of the proposed certificate of environmental compatibility
