A Core Value

Job site safety isn't just a policy—it's a core value embedded in everything we do. We believe that no project is truly successful if safety is compromised, no matter the bottom line.

The Team PPC Difference

"I have worked with the Penington Painting Company team for the last 20 years. They are knowledgeable, professional and provide a quality product that is always on time. From small projects to very large projects the level of customer service it always top notch. We recently completed a 4 year mega project with PPC, it turned out great."

Chris

Project Manager at
Hoffman Construction Company

"Safety is a priority, they begin and end everyday with Safety first mindset. I have worked with PPC for over 20 years and is a great partner from the President to the field personnel, they find ways to pull in the schedule for the project and their quality is second to none. I would recommend PPC to everyone."

Troy

Director Of Construction at
Pentagon Technologies

"What an honor and pleasure it has been to work with Team PPC for over 20 years. In order for a Risk Management program to work effectively, it takes a true partnership of everyone involved. Penington Painting Co. has always risen to the top as a contractor that not only takes safety seriously, but they also take safety personally. It's a culture that Jerry and his team have created that has made Penington so successful. Cheers to another 20 years."

Pamm

Executive Vice President Of
USI Insurance Services

"Penington Painting Company has been a trusted partner to Sherwin-Williams, delivering unmatched expertise and quality that speaks for itself. From high-performance installations to precision craftsmanship, Penington has you covered."
