

# School trip 2026 Lesson ability levels

## **Level 1**

Students have never skied or snowboarded before. Students have tried skiing or snowboarding before but cannot stop.

## **Level 2**

Students have skied or snowboarded once or twice before, can come to a stop and turn.

## **Level 3**

Students are confident linking turns on all green runs and working on further skills to progress to blue runs.

## **Level 4**

Students are confident linking turns on all blue runs and working on further skills to progress to black runs. Students may try skills in the terrain park.

## **Level 5**

Students are confident linking turns on all black runs and working to further skills to progress to more challenging snow conditions and terrain. Students may try skills in the terrain park.
