# 2025 CSR ACTIVITIES

# *Corporate Social Responsibility in Action*

Corporate Social Responsibility (CSR) activities reflect Vitarich Corporation's commitment to creating a positive impact on society while strengthening its core values – ***Leadership with Integrity, Excellence, and Care for Others.***

Through community outreach programs, environmental sustainability initiatives, employee volunteerism, educational support, and health and wellness campaigns, Vitarich demonstrates Leadership with Integrity by acting responsibly and ethically.

Our CSR programs also embody Excellence by delivering meaningful and sustainable contributions to communities, while fostering innovation and accountability.

Most importantly, these activities show Care for Others by uplifting lives, supporting vulnerable sectors, and promoting social and environmental well-being. By integrating these values into CSR efforts, companies build stronger relationships with stakeholders and reinforce a culture of purpose, compassion, and responsible leadership.
