Built to handle what a full-time receptionist can't—perfect consistency, infinite availability,
and zero sick days.

WHY IT MATTERS

Never Miss Revenue: Most businesses lose 20-40% of leads to unanswered calls—this eliminates that entirely.

Scale Without Hiring: One AI agent handles 500+ conversations daily with perfect consistency.

Convert While You Sleep: After-hours calls turn into next-day appointments automatically.

Ideal For:

Home services & contractors

Medical clinics & medspas

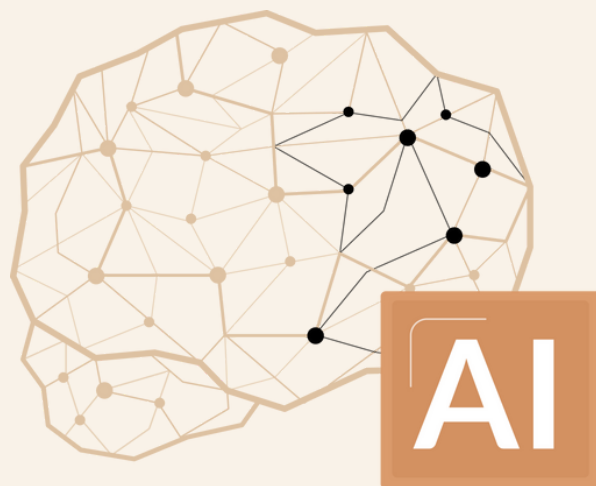

Real estate teams

Legal practices & professional services

Any business where missed calls = missed revenue
