

IP54 General Purpose Enclosures

Technical Specification

Manufactured from ADC12 aluminium, this range offers a versatile IP54 enclosure solution for any applications where light protection against dust and low pressure water spray is required.

15 sizes are available, complete with lid screws and PCB guides on selected sizes. Nine sizes are also available with flanges for easy mounting.

Deltron Enclosures can customise any enclosure in our UK factory, including machining, painting, component sourcing and installation to meet your specification, save time and cut your costs. View our Services page on our website for more information.
