

Acceptable Use Policy

1. Introduction

This Acceptable Use Policy (“AUP”) governs Customer’s use of the Services. By opting in to access or use the Services, Customer and its Authorized Users agree to comply with this AUP. Failure to comply may result in the suspension or termination of Customer’s access to all or part of the Services. Capitalized terms which are not defined in this AUP shall have the meaning given to them in the Agreement and the AI Addendum.

2. Lawful Use Only. Customers and its Authorized Users may only use the Services for lawful purposes.

3. Prohibited Uses. Customer and its Authorized Users shall not use the Services for prohibited purposes, including but not limited to:

- **Abusive or Harmful Content:** Upload, create, generate, or distribute any Content that is abusive, threatening, harassing, defamatory, obscene, or otherwise harmful to individuals or groups.
- **Illegal Activities:** Engage in or promote any illegal activities, including but not limited to activities involving fraud, hacking, drug trafficking, terrorism, or human trafficking.
- **Violation of Rights:** Upload, create, generate or distribute content that infringes upon or violates the intellectual property rights, privacy rights, or any other rights of others.
- **Discrimination and Hate Speech:** Upload, create, generate or distribute content that promotes or incites violence, hatred, or discrimination based on race, ethnicity, religion, gender, sexual orientation, or other protected characteristics.
- **Misinformation or Harmful Media:** Upload, create, generate or spread false, misleading, or deceptive information, including the creation of deep fakes or malicious media intended to mislead others or cause harm.

4. Prohibition on Harmful Automation. Customer shall not use Sysdig Services for automated or mass-generated content creation that could lead to harm, including but not limited to spam, phishing, or malicious software.

5. Intellectual Property. Customer shall not violate the intellectual property rights of any individual or entity through its use of the Services, including without limitation Customer Data and Content. Customer shall not use the Services to create, distribute, or reproduce copyrighted, trademarked, or proprietary material without proper authorization or permission.

6. User Responsibility

- a. Customer is solely responsible for any Content created by the Services, including without limitation ensuring that Customer has all the necessary rights to submit any information as part of a Prompt. Sysdig reserves the right to monitor Customer's use of the Services (including without limitation Content) to ensure compliance with this AUP, including abuse prevention, provided Sysdig shall at all times act in accordance with the Agreement and this AI Addendum. If Sysdig determines that a Customer is or may be in violation of this AUP, Sysdig may take appropriate actions, including but not limited to (i) issuing a notice to the Customer about such violation and providing an opportunity to resolve it, or, (ii) if it is not feasible to provide such notice given the nature of the violation, Sysdig may temporarily suspend access to all or part of the Services until such issue is resolved.
- b. When used in compliance with this AUP, the Services will act as Customer's assistant in using the Services to augment the user experience and accelerate human response time, however it is not intended to replace human review. Outputs sometimes may be inaccurate or misleading, therefore, Customers must use their judgment to review and validate Outputs as provided in the AI Addendum.

7. Customer Obligations: Reviewing, verifying, and validating all Outputs and Autonomous Actions, such as security recommendations, before Customer acts on them or share them with others. Ensuring that Customer's use of the Sysdig AI Services, Outputs and Autonomous Actions complies with all applicable laws, including but not limited to: privacy laws, and third-party rights, as well as any agreements Customer may have with third parties.

8. Reporting Violations. If you become aware of any violation of this Policy, please report it to legalnotices@sysdig.com.

9. Updates. Sysdig reserves the right to update or modify this AUP at any time, so long as such updates do not materially decrease Sysdig's obligations set forth herein.

Customer's continued use of the Services following any changes constitutes Customer's acceptance of the revised AUP.
