25.2. You acknowledge that if Quantoz E-money is used in a manner that requires a relevant financial license, you shall be solely responsible to ensure that its operations are carried out in accordance with applicable laws. You further acknowledge and accept that QP shall not be liable for anything related to your use of Quantoz E-money.

26. Notification of non-distribution of Quantoz E-money

26.1. Quantoz E-money distribution by a distributor of an EMI means a regulated practice under EMD2 where an EMI distributes e-money through a natural or a legal person that acts on behalf of the EMI.

26.2. As you use Quantoz E-money solely for your own purposes and not in any way on behalf of QP, nothing in this Agreement shall create a legal relationship where you would act as our distributor of Quantoz E-money per EMD2. You and QP specifically agree with this Agreement that you shall not act as our distributor of Quantoz E-money as per EMD2.

26.3. If you want to establish a legal relationship where you act as our distributor of Quantoz E-money as per EMD2, you must conclude a separate written agreement that specifically governs the distributor relationship between you and QP.

27. TIER Levels

27.1. We assign TIER levels to your Quantoz Account. We distinguish separate TIER levels for Consumer Customers and for Business Customers respectively. For the TIER levels for Consumer Customers see Section 27.2 'Personal accounts' and for the TIER levels for Business Customers see Section 27.3 'Business accounts'. The Quantoz E-money TIER levels apply on the

level of a Customer's Quantoz Account and should therefore be applied in light of the aggregate amount of any Quantoz E-money held in a Managed Account.

Where Quantoz E-money is denominated in a Reference Currency other than the euro, the TIER funding and redemption limits apply to the equivalent amount in that Reference Currency, as set out in the applicable Annex. The amounts shown in sections 27.2 and 27.3 are the limits for euro-denominated Quantoz E-money.
