We Don't Do Beige

At OPUS, we think cookie cutters are for baking, so we threw ours away when we designed our award-winning luxury hotel in the heart of Yaletown. CAPO & THE SPRITZ

CAPO - A neighbourhood Italian gem just off our lobby, Capo serves up comforting classics in a laid-back, vibrant space. Think crave-worthy pizzas, fresh pastas, and sips worth staying for. Loved by locals and guests alike, it's the kind of spot where you can come as you are—and leave fully satisfied.

The Spritz - The perfect complement to Capo's straight-forward pizzeria energy, The Spritz. A cozy, 22-seat cocktail bar nestled just off the OPUS Vancouver lobby. The Spritz offers the classics, as well as original libations that speak to the romance and craftsmanship of Italy's aperitivo culture. You may just never leave the property.

BIKE CURIOUS?

Vancouver's many dedicated bike lanes are safe, spacious, and convenient and you can access one of them right outside our front door. Our fleet of e-bikes are available to guests at no charge and can be reserved for a 3-hour block with Guest Services, subject to availability. Along with your bike, OPUS Vancouver provides helmets, locks, and a handy map highlighting some of our favourite spins.

THE RIGHT FIT

Our smartly equipped fitness centre overlooks Yaletown's buzzing streets and features treadmills, elliptical machines, a recumbent bike, weight stations, two sets of free weights and a variety of bands and balls.

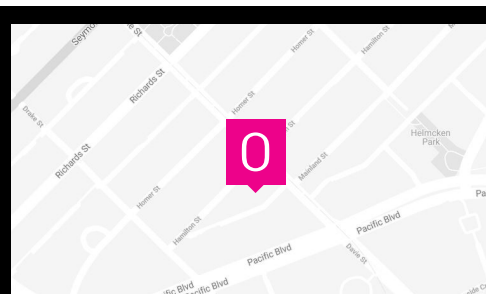

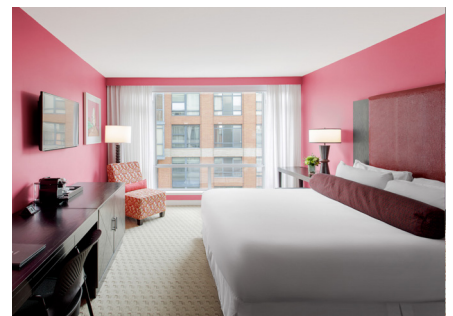

STAY CLOSE, PLAY CLOSER

From concerts to sporting events, OPUS is just steps away from Vancouver's top venues - Rogers Arena, BC Place, Queen Elizabeth Theatre, Commodore Ballroom, and The Orpheum... Getting to the action has never been easier!
