OVERVIEW

- Experience the heart of downtown Calgary and enjoy major attractions, restaurants, shopping and green spaces within walking distance of our hotel
- Calgary's Rapid Transit System, C-Train is powered by wind Energy, the only LRT system in North America to do so
- Calgary has the most extensive urban pathway and bikeway network in North America
- Hyatt Regency Calgary has bikes available for guests to use from spring-fall
- Our hotel is Green Key certified to 4-keys

CLIMATE CHANGE & WATER

- 95% of all the lights in the hotel are LED. All lights in guest rooms, hallways and meeting spaces are 100% LED.
- Lights are turned on in meeting rooms only when needed.
- Our daily operational reports are used to effectively schedule heating and cooling needs.
- Installed filtered tap water in all guestroom baths to encourage guests to reduce the use of single-use plastics.
- Through our Conserve program, we change linens every third day unless requested otherwise, and guests may choose to reuse towels by leaving them hanging.
- Electric charging stations are available on P2 level of the hotel's underground parkade

WASTE & CIRCULARITY

- We feature a compost and recycling program that diverts 40% of the hotel's waste away from landfills
- Plastic straws are not used.
- If you would like to avoid disposable water bottles, hydration stations are available
- Supporting digital signage and offering Hyatt Apps to help enable a paperless meeting
- Offering reports through the Planner Portal, reducing the need to print
- Recycling receptacles in place in back of house areas for Colleagues to participate in waste diversion

RESPONSIBLE SOURCING

- Hyatt's Food. Thoughtfully Sourced. Carefully Served. philosophy guides us in how we select ingredients that are better for people, communities, and the planet.
- Cage-free eggs are utilized in our restaurants
 - Seafood is sustainably purchased from responsible sources
 - Produce is purchased locally – from PRO Act farmers
 - Chicken is all natural and free-range from Alberta farms
 - Beef is all-natural and grass-fed
 - Plant based & plant forward menu items are offered in our restaurants and for events
 - We serve Rainforest Coffee, which works with Rainforest Alliance Certified farms
