

Building the Next Generation of Market Leading Growth Businesses

CORPORATE BROCHURE

Altaline is a specialist, growth-focused, lower middle market private equity firm.

We focus on partnering with Founders and Management Teams in select segments of the Tech-Enabled Services, Business Services, and Financial Services sectors in North America.

Investment Criteria

- Equity Investments of \$20 - 60 Million
- Companies with \$3 - 15 Million of Cash Flow
- Growing Businesses with >10% Organic Growth or Catalysts for Acceleration
- Control Oriented Approach with Target Equity Ownership of 33% - 90%
- Strong Rates of Customer Retention typically >90% Gross and >100% Net
- Limited Customer & Vendor Concentration
- U.S. or Canadian Headquarters with Primarily Onshore Staff.

Transaction Profiles

- Majority Recapitalizations in Partnership with Founders
- Minority Growth Capital Investments
- Divestitures or Carve-Outs of Non-Core Units
- Industry Consolidations and Platform “Build-Ups”

Industry Focus Areas

Tech-Enabled Services

- Vertical Market Application Software
- Vertical Focused Subscription Data & Info
