BU PowerSystems® // //

"The masterclass with Match + Thrive was hands-on and gave me exactly the tools I need for our long-term hiring. Absolutely worth it."

(Daniela Kölker, Head of HR, BU Power System GmbH & Co. KG)

— WHAT YOU TAKE AWAY FROM THE MASTERCLASS

An Interactive Workshop With Direct Output

Publish-ready job ad

We translate your company's DNA into the language of your target audience, filtering out unsuitable applicants from the beginning.

AI prompt system

Our prompts enable you to transform your strategy into compelling copy whenever necessary.

90 % time savings

You receive a reusable system that allows you to create future job ads in just 10–15 minutes—without sacrificing quality.

Your toolbox

The complete package includes job ad filters, the Recruiting Formula, and ready-to-use social media templates for your process.

— YOUR PATH TO A BETTER JOB AD

The Filter Strategy | 60 min.

We refine your current job posting by eliminating generic content, crafting a distinctive employer profile that draws in the ideal candidates.

The Live Creation | 60 min.

We eliminate barriers and enter your company details into the Recruiting Terminal, allowing the AI to craft your final job ad in real-time.

— YOUR PACKAGE

Exclusive access to the Match + Thrive Community & Academy for €474.81 (incl. VAT), for companies €399 net, fully tax-deductible.*
