

# Mentoring

Student Presentation

# Application process

# Key Project Parameters

**Target Group:**

This opportunity is open to members with an interest in hedge funds and the wider finance sector.

**Program Duration:**

Flexible.

**Application:**

Students apply once per year at the start of the autumn semester with a CV and cover letter. Selected talents are matched with mentors.

**Mentor Matching:**

Matching based on interests, background and communication preferences. Mentors will choose their mentees.

**Meeting Frequency:**

At least one personal meeting per semester is expected. Online contact is flexible (goal would be to have an ongoing and lasting relationship).

**Program Structure:**

Self-directed relationship between mentor and mentee, focusing on both professional and personal development.

**Goal:**

Build meaningful, lasting connections that support career entry and professional growth in personal life and in finance-related fields.

# Key Benefits and Support Structure

## Benefits for Mentees:

- Industry insights and career guidance
- Networking
- Clear knowledge roadmap (What it takes to achieve one's goal)
- Certificate of participation or a personal recommendation from the mentor

## Benefits for Mentors:

- Talent scouting and networking
- Reputation and visibility
- Exchange with young minds and other professionals

## Support and Events:

- Ongoing support (e.g. rooms, advice)

# Support
