

“

“Alicia [from Cherry] has been amazing **helping our business grow!!** She has provided multiple trainings, she has met on several separate occasions with each staff member individually! She has helped with role playing and has given us many tools to use to **better assist our clients** in reaching their aesthetic goals! We are so appreciative of her!”

”

– Dr. Amy Hubert,
Owner of The Beauty Barn

Success Stories *with* Cherry

The Story

The Beauty Barn is a premier medspa in metro Atlanta offering injectables, body contouring and weight loss. Dr. Amy and her staff are highly trained in their craft and pride themselves on delivering their aesthetic expertise to their tight-knit community.

The Goal

- Offer Cherry as a seamless step in every consultation to **increase their number of patients**
- Encourage patients to choose full treatment package options and receive **optimal results**
- Set monthly goals to increase average monthly Cherry transactions by **more than 200%**

The Cherry Solution

- Work hand in hand with their Practice Development Manager to complete a consultation training with the staff
- Train staff on how to **fully integrate Cherry** into their business, including when and how to message during the patient consultation
- Offer Cherry to every patient as an **easy payment solution**, in addition to the staff coaching patients to apply prior to their consultation

The Results

- ✓ The Beauty Barn increased their Cherry transactions by **223%** the first month, by **425%** the second month, and by **1,135%** the third month after Consultation Training
- ✓ Staff feels confident getting a patient approved with Cherry
