USE ONLY

SECTION I. Complete with information of the ordering entity.

SECTION II. Complete with patient information.

SECTION III. Provide the ICD-10 code and patient's diagnosis. Select method of payment. Please complete with billing information including a copy of the front and back of the insurance card (if applicable). If the person completing this requisition is not in possession of the information necessary for completion of the billing information section, please provide the name/department and contact information of the appropriate party from whom this information can be obtained.

Name: _____ Department: _____
Phone: _____ Fax: _____

**If a copy of the front and back of the insurance card is provided, no further information is needed in this section of the requisition. A billing face sheet is also sufficient in lieu of copy of card.*

SECTION IV. Select the desired test by checking the appropriate box. Select the desired testing service by checking on Gene Expression profile alone, DecisionDx-CMSeq NGS panel alone, or both tests concurrently.

SECTION V. Complete information for patient.

SECTION VI. Check the appropriate box regarding the patient's current sentinel lymph node biopsy status for this melanoma. If the patient has had a SLNB performed, please provide a copy of the surgical path report along with the completed requisition. Please provide information regarding presence of palpable node(s) and/or intransit metastasis.

SECTION VII. The treating clinician must sign this section. **Note:** For purposes of ordering this test, the "treating clinician" section can be signed only by a physician, advanced practice registered nurse (APRN) or representative physician assistant (PA).

SECTION VIII. Complete with information for the treating clinician and/or additional clinicians. If the mailing address is the same as for the treating clinician, check the box "same as requestor". Be sure to select the preferred method by which results should be communicated and provide an email address if you wish to receive electronic notification that the report is available.

SECTION IX. Complete this section with the name of the facility where the tissue from which slides for testing will be requested.
