Hi there,

I'm a graphic designer based in Tāmaki Makaurau, Auckland. I completed a Bachelor of Design, majoring in Communication Design, at Auckland University of Technology in 2024.

One of my strongest traits is my love of learning—I'm always looking to expand my skill set and grow as a designer. Since graduating, I've been teaching myself web and motion design to strengthen my portfolio, and I plan to take additional courses to further develop in these areas.

During my studies, I was exposed to a range of design disciplines, which helped shape my desire to create meaningful, purposeful work through visual storytelling. I'm a motivated and curious designer who thrives on exploring new techniques, trends, and tools in the ever-evolving world of design. I'm excited to get involved in Auckland's vibrant and diverse design industry.
