THE CEREMONY

Timings

We encourage a ceremony time of 14:00 as it allows you to make the most of your day and ensure all aspects of the day run smoothly into each other. Alternatively, we recommend any time between 13:00 and 3pm, however if this is not possible then please consult with our wedding coordinators. If you decide on a Church Wedding, we advise going straight to the Church and scheduling a ceremony time that allows you to arrive at Netley between 14:00 and 16:00.

Locations

Grand Hall: Experience the opulent & lavish Grand Hall with the princess staircase aisle & crystal Waterford chandeliers. Gold Cheltenham chairs are provided for the Grand Hall.

Magistrates Garden: Our manicured gardens provide a picturesque backdrop for your vows, offering a serene setting for your outdoor ceremony. Wooden benches are provided for the Magistrates Garden.

Outdoor Ceremony

If you choose the Magistrates Garden for your ceremony, a member of the wedding team will assess the weather forecast at 9:00am on the day of your wedding to determine whether an outdoor ceremony is suitable. This decision will be made in consultation with your venue dressers. Please note that the final decision rests with the Registrar, who may deem the weather conditions unsuitable for an outdoor ceremony. We recommend informing your guests of your plans in advance so they can be prepared for the unpredictability of British weather.

THE RECEPTION

Drinks Reception

Following on from your ceremony you and your guests will enjoy a beverage and canapes in either the Magistrates Lawn or the Snooker Bar. Please be aware the Magistrates Bar is open April-October (weather dependant)

Wedding Breakfast

Following on from your drinks reception your guests will be guided into the Brook Suite dining room for your main meal.

During the meal your guests will enjoy the intimate lavish surroundings that the Brook Suite offers. Our team will serve a delightful 4 course meal from our Signature menu, with half a bottle of wine to be enjoyed with the meal.

Speeches

At the conclusion of your meal our team will serve a glass of bubbly to all of your guests in preparation for speeches.

Departure

If you and your guests have decided not to stay with us on the evening of your wedding then the conclusion of your speeches marks the end of the celebrations.

If you have decided to stay with us for the night of your wedding then following on from the speeches you and your guests will be invited to check in and enjoy the lounge/bar areas.

(please email your wedding coordinator if you are unsure):

Candles

Candles are not restricted in their entirety. They are allowed in candelabra's or in tea light holders on your tables. For safety reasons they are not permitted on any floors, mantelpieces or with artificial flower arrangements or fabrics.

Children

Parents must take full responsibility for their children at all times and they should not be left unattended. Due to the nature of the buildings, there are areas that can be hazardous for young children (the lakes and wooded areas in particular).

Confetti

Traditional confetti (rice, paper, metallic, crystal gems or similar) is not permitted here at Netley inside or out. This includes use as table decorations. Fresh or dried petals (even bubbles) are perfectly fine outside.

We advise that you detail this on your invitations to avoid any misunderstanding on the day. Please check with our wedding coordinators at your planning meeting exactly what table and venue decorations you hope to use to ensure no disappointment on the day.

Dogs

Registered guide & assistance dogs are always welcomed here at Netley Hall. We also allow dogs to stay in our lodges. Excluding guide & assistance, no other dogs are permitted inside the venues, without prior written consent from the venue.

RESTRICTIONS

Entertainment

Any live entertainment must have ceased by 11:30pm, while your DJ must cease no later than 00:30am, we do this out of consideration for our neighbours and surrounding farming community.

Fireworks

Due to compliance with planning and environment agencies, and out of courtesy to our neighbours and the local farming community, Netley Hall only allows 'low noise' firework displays and does not allow the release of naked flame lanterns. You may provide sparklers for your guests, but these should be used outside and you must provide a suitable bucket and sand for safe disposal as well as lighters for the sparklers.

Fountains

Champagne and chocolate fountains are not permitted indoors, to ensure no damage to our interiors.

Glitter Bars

The application of glitter on faces and bodies by professional makeup artists, or indeed non professionals, is not permitted to ensure that the Hall (its carpets and bedrooms) are of the standard expected for future marrying couples.

Smoking

There are facilities for disposing of cigarettes across Netley Hall. Smoking (this includes E-Cigarettes or similar) is not permitted inside any of the buildings at Netley, including bedrooms.

Suppliers
