Storehouse Partnership Guide

Who we are, what we do, and how you can get involved.

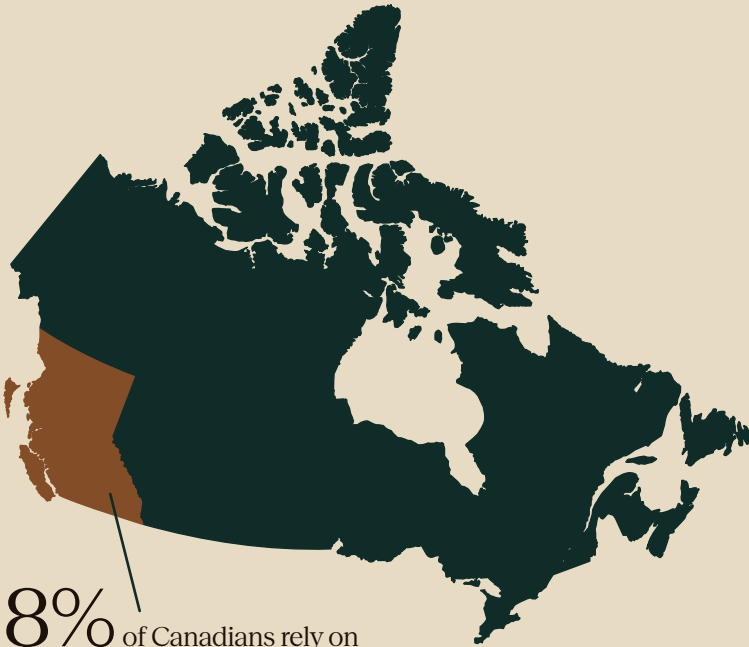

Nourishing hope. Empowering community.

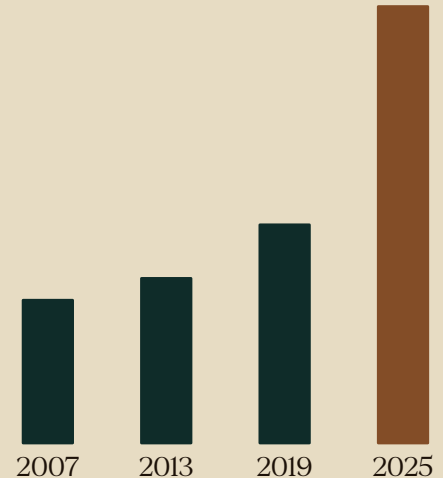

The Need

The presence of food insecurity in our local and national community is hard to ignore. Understanding the role these statistics plays in the lives of our neighbours helps us better understand why this work is important, and the tangible and daily impact it makes.

What is Storehouse?

At Storehouse, we believe that no one should have to choose between food and other essentials. Through our food bank, community kitchen, and outreach programs, we provide nourishment, connection, and hope to individuals and families in need.

Located at the crossroads of Surrey and Langley, we seek to help lighten the load that food insecurity can bring, while drawing individuals together into community.

Our Programs

Since food insecurity doesn't affect every person the same, it's important that we have resources available to help each and every person, regardless of the nature of their need.

Kitchen**

In addition to offering a hot, free dinner to anyone in need every Monday-Friday, we also offer a communal space to eat where people can eat, share, and live life together.

Our food bank serves the large and growing need in our community for accessible, nutritious food. Because of our incredible partners, we are able to rescue good, edible food that would otherwise go to waste, and distribute it to those in need.

**Storehouse
Mobile Meals**

The Mobile Meals program at Storehouse delivers warm, nutritious dinners directly to the doors of seniors, those with mobility issues, and individuals in need, because no one should go hungry just because they can't reach us.

Our Christmas Hamper Program helps ensure local families, seniors, and individuals can experience the joy of the holiday season. These hampers help provide meaningful support to over 1,200 families each Christmas, thanks to the generosity of our community.

Our Programs

Storehouse Outreach

Our current outreach initiative is a Temporary Shelter run in partnership with Surrey options. This shelter provides a safe, warm space, along with a quality meal for individuals experiencing homelessness during the colder months.

Seniors Socials

Once a month, we host a social for adults aged 55+, creating a space for connection, conversation, and community. A lunch is shared, activities are participated in, and relationships are given space to grow and flourish.

Storehouse Catering

Eat well. Give back.

Catering

Who knew that building up your community could taste so good? By getting your event catered by Storehouse, you can feel great about the food you're eating, and about the programs you're supporting.

Lunch with Purpose

Lunch with Purpose gives you the opportunity to enjoy great food, while supporting your community, at an unbeatable price. Come in Monday-Friday to get a delicious lunch for just \$10.

Seasonal Offerings

Celebrate holidays and special events with seasonal items, straight from Storehouse. Dinner is one less thing to plan now, with full meals for Thanksgiving, Christmas, and more!

Get Involved

Storehouse operates and thrives because of the immense generosity of our community. As a community-centered organization, being able to partner with local organizations is incredibly valuable to us. There are plenty of ways to get involved and give back to the community in a hands-on way.

Event Sponsorship

We have several events throughout the year that require sponsorships in order to run well. Give your brand visibility while giving back by inquiring about sponsorships for the **Golf Classic** (September), **Christmas Hamper Program** (December), **Coldest Night of the Year** (February), or our monthly **Senior Social**.

Corporate Volunteering

Volunteers are the lifeblood of Storehouse's beating heart! Bring your team for a hands-on experience, whether its sorting and distributing at the food bank, making and serving a community meal, helping at special events, or offering the services you specialize in as a team to benefit the local community!

Collection Drives

A practical way to get involved is to host a collection drive. This can look like a toy or gift card drive for the Christmas Hamper program, or a food drive with contributions going to the food bank.

Financial Support

As simple as it can be, financial support is what helps our programs to continue to run, and for us to continue to operate. This can look like one-time or monthly donations, gift matching programs, employee giving, grants, and more.
