Satsuma Technology Plc
(‘Satsuma’ or the ‘Company’)

Results of General Meeting

Satsuma Technology PLC (LSE: SATS), a public company pioneering the convergence of decentralised AI and Bitcoin treasury management announces that at its General Meeting held earlier today, all resolutions put to Shareholders were duly passed on a show of hands.

While the vote was passed on a show of hands, the Company notes and appreciates the strong support of the Company’s shareholders reflected in the proxy votes, which were as follows:

Resolution		For		Against		Total Votes Cast (excl. Votes Withheld)	Votes Withheld
		Votes	% Votes Cast	Votes	% Votes Cast		
1	Authority to allot shares in connection with the Transaction	320,069,912	100.00	8,829	0.00	320,078,741	0
