

VIBRANT SPACES

Designed for those who crave more than just a home, ***The Standard Residences, Brickell*** is setting a new standard for residential living — one where bold design, curated experiences and community take center stage. Rooted in the brand's signature hospitality-driven approach, the residences foster a dynamic, social atmosphere where residents can gather, work and unwind in style. At the heart of the experience is a collection of thoughtfully designed spaces that balance energy and escape. A rooftop oasis with a resort-style pool and private cabanas sets the scene for sun-soaked relaxation, while the lobby lounge and co-working areas create a seamless blend of productivity and play. Fitness enthusiasts can take advantage of a state-of-the-art gym and dedicated yoga and stretch studios, while the signature restaurant and bar provide a lively backdrop for dining and conversation. Inspired by The Standard's signature aesthetic, every space is infused with warmth, energy and a design-forward sensibility — bringing the vibrancy of Brickell to life in a way that feels effortlessly elevated; TheStandardBrickell.Miami. 🌟 🍷 *Yoshi Sanz*
