Book only what you need

Global
Online, crews based anywhere

Independent
Objective external view

OUR APPROACH

Five modules – one clear picture

01 **Personality profile**
Work-relevant traits and attitudes

02 **CRM competencies**
Crew resource management behaviour

03 **Basic mental abilities**
Core cognitive performance

04 **Social & interpersonal abilities**
Communication and teamwork

05 **English language proficiency**
Assessed by an ICAO examiner

- Using online tools and proctoring

WHY VOLANDO

Expertise you can audit

- **Aviation psychologist** accredited by the European Association for Aviation Psychology (EAAP)
- **DIN 33430 certified** – occupational aptitude diagnostics
- **Pilot perspective in-house** – led by an active airline pilot
- **Years of experience** in operator auditing and pilot diagnostics
- **ICAO English Language Proficiency examiner**

TRUSTED BY OPERATORS SUCH AS

Kitz-Air HELICOPTER OPERATIONS

GHS GLOBAL HELICOPTER SERVICE

Implementing CAT.GEN.MPA.175(b) at Kitz-Air GmbH

„We wanted waterproof compliance, precise documentation and a modular process that easily fits into everyday flight operations."

Pablo Moroder · NPCT, Kitz-Air GmbH
