

DIRECTIONS

Val d'Arve Apartments 6 Route de la Roumnaz, 74400 Chamonix

Upon arrival into Avenue Ravel le Rouge, you will see a green retractable bollard (next to the ChaChaCha wine shop) across the road. You will need to pull in on the right and collect the white pass from the key box at the apartment building to open the bollard. See photo below.

DIRECTIONS

Walk 200 metres up the road until the no-entry sign - you will see the Salomon store on the left-hand side. The apartment is above. Go through the brown gate to the left of the store (see photo above), round to the rear where the entrance to the building is.

The key box is to the left of the letter boxes opposite the main door (2nd key box down from the top).

The apartment is on the 2nd floor, as you come out of the lift it is the door straight ahead of you.

There is a silver key for the main door and a gold key for the apartment door.

The white card is for the green barrier and the remote (with grey buttons) is for the orange barrier, the underground entrance and the entrance into the parking area once inside the garage.

DIRECTIONS

To park in the underground garage:

Once you have used the white card to go through the green bollard, turn left at the Salomon store and on the right you will see a sign for Résidence Blanc Neige with an orange barrier. See photo below.

Use the remote grey button I to open the barrier and go through down to the garage door. Button II will open with this. See photo below.

DIRECTIONS

When you enter the garage, follow round to the left and down to the lower level.

At the bottom of the ramp turn right through the doorway (use the remote button IIII if it is closed).

Our allocated parking space is on the left of this area (Mr & Mrs Antoine).
See photo below.

You will see a door on the right in this photo, this takes you into the building and up to the apartment.
