Chalet Guapa 48 Chemin des Frasserands - 74400 Chamonix

As you come to Chamonix, follow the signs for Argentière and the Swiss border on the N1506 towards Le Tour. Pass through the village of Argentiere. Just after Argentiere take the first turning on the right hand side signed Le Tours Argentiere.

Follow this road for about one kilometre until you come to a bend where you will see the Montroc SNCF station. Turn left into the station car park, drive over the level crossing and turn right immediately on to Pré des Pièces.

Chalet Guapa is the large chalet on the left-hand side, and the parking and chalet entrance are both on Pré des Pièces (the road parallel to the railway line).

DIRECTIONS

There are designated parking spaces before the garage. Parking outside of these 3 allocated spaces or loading/unloading directly in front of the entrance is not permitted. It is important that cars do not stick out onto the road.

Please keep in mind that Pré des Pièces is a communal road, providing access to other houses and serving as a key route to the tunnel leading to Vallorcine when the Col des Montets road is closed due to heavy snowfalls.

The key box for the chalet is to the left of the front door.
