

DIRECTIONS

Chalet Valhalla 99 Chemin du Tarro - 74400 Chamonix

Upon arrival to the outskirts of Chamonix, keep following the main road D1506. You will pass a railway track; 50 metres after the railway track there is a small slip road to your right, directly before the road goes over the bridge.

Take this slip road, called Descente des Périades. At the junction at the bottom, go straight on, along Chemin des Cristalliers. You will reach a crossroads - go straight on and take the first turning on your right, on to chemin du Tarô.

Chalet Valhalla is the last chalet on the left-hand side, with large full-length windows.

DIRECTIONS

There is parking for four cars at the back of the chalet.

Any additional cars will need to be parked in the public car park on Route de Bouchet and guests walk back to the chalet.

The key boxes for the chalet are to the left of the front door (in the porch) and the back door.
