

DIRECTIONS

Stephen's Mazot

(Rear of) Chalet Les Mazots, 210 Montée Croix des Moussoux
74400 Chamonix

Upon arrival into Montee Croix des Moussoux, 100 metres up you should see Chalet Les Mazots (a cream coloured three storey chalet with pale blue shutters and wrought iron gates) on your right, on the corner of chemin des Seringas.

DIRECTIONS

If on foot, Stephen's Mazot (the larger of the two garden mazots) is behind the main chalet. Walk up the steps (to the left of the chalet as you look at it from the front) and along the path to the first garden mazot.

You will find the key box to the left of the front door in the balcony.

If driving, turn right into Chemin des Seringas immediately after Chalet Les Mazots. See photo below. Please park in the lay by on the right, leaving enough space for a second car, then walk through the gap in the greenery and turn left onto the path, leaving Chalet Les Mazots behind you (see pictures below). Stephen's Mazot is the larger of the two mazots and the closest to the main chalet.
