

Suzano Valoriza recognizes suppliers who drive transformation with innovation and responsibility

October 20, 2025

On **September 2nd**, Suzano held the third edition of Suzano Valoriza, an initiative that recognizes and celebrates the performance of suppliers who stand out for practices that promote excellence, innovation, and socio-environmental responsibility.

In this edition, 23 suppliers were recognized in categories that reflect Suzano's strategic pillars, such as performance, business partnership, and ESG practices. The recognitions highlight the fundamental role of suppliers in creating solutions that generate positive impact on both business and society.

Suzano Valoriza is more than an award ceremony; it is a celebration of the leadership of companies that share the purpose of transforming, together with Suzano, challenges into opportunities for a better future.

To all recognized suppliers, our thanks for being part of this wave of transformation.
