

GAMING GATEWAY

Your Gateway *into the Game*

Gaming Gateway provides bespoke solutions for securing new licences or optimising existing operations with expert support.

Our team hold decades of experience in the eGaming sector and have assisted some of the largest global operators with expanding their eGaming operation.

We are your gateway to global licensing and provide dedicated guidance with eGaming licensing around the world. We also assist with establishing your operation, including compliance, banking and corporate services.

Licences in *Over 40* *Jurisdictions*

Choosing the right eGaming licence depends on your regional strategy, business model, and regulatory requirements.

Our experts provide bespoke consultancy to ensure your business secures the right licence that will drive your business growth.

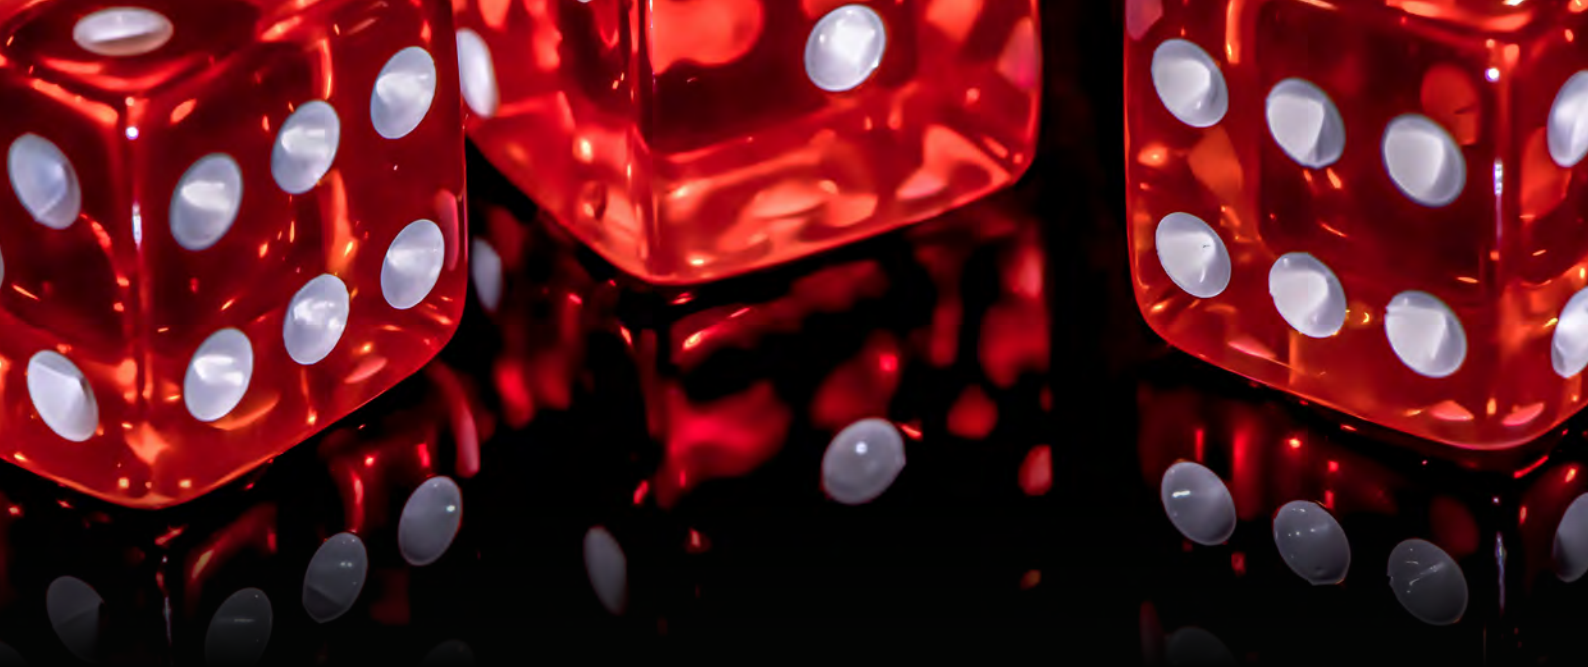

From emerging, fast-growing markets to established Tier 1 jurisdictions, we guide operators through the licensing process to ensure they meet the necessary legal, technical and compliance requirements.

Our *Team*

Andy Morgan

Andy is an experienced gaming industry leader who has helped some of the world's largest operators obtain licences in new jurisdictions. He is committed to delivering outstanding service and building long-term, mutually beneficial relationships with his clients.

Koko Dalmini

Koko holds an exceptional depth of knowledge on eGaming regulation and provides a dedicated, personal service. Koko offers guidance on the eGaming regulatory landscape and ensures the client meets all the necessary requirements in the jurisdiction.

Kristy Maxwell

Kristy is a Director at Affinity IoM with over a decade in governance within the Isle of Man Government, where she spearheaded the creation of licensing frameworks at the Gambling Supervision Commission. She offers a deep understanding of gaming policy and regulation.

Why *Gaming* *Gateway*

As a global provider, we're ideally placed to support your international expansion and help you navigate the ever-evolving eGaming landscape.

Our team are experts in regulation, compliance, and corporate governance, and our support is designed to simplify and ease regulatory pressures, allowing you to focus on driving business growth.

As your global eGaming partner, we are committed to exceeding your expectations and ensuring your long-term success.

Ready *to licence?*

We're a safe bet.

Contact our team for a one-to-one conversation to discuss your eGaming operation and licence of interest.
