Supporting Our Parish Together

Thank you for all you do to contribute to the shared mission of this parish. Since I became your parish priest, I have been struck time and time again by your kindness and commitment to our parish.
As you will be aware, we are currently facing significant repair costs for our church buildings, alongside the need to strengthen our day-to-day parish finances. I know many of you will want to help.
To that end, I invite you to join me for a series of fundraising meetings this month, where we'll explore how best to steward our parish resources, look to the future and reflect on how each of us can contribute. Each meeting will have a different focus.
Meeting Details:
Dates: Thursdays 9th, 16th, 23rd October
Venue: Parish Hall
Time: Tea & Coffee from 7pm-7:30pm; meeting 7:30pm -9pm
We will be supported in this process by Heather Coogan, Diocesan Fundraiser (many of you know Heather through her husband, Kevin, who supports the Children's Church).

CAFOD Family Fast Day

£977.70 was given last week for CAFOD's work and there will probably be more to be added to that total. Thank you once again for your amazing generosity.

Saint Vincent de Paul Society

Many thanks for your continued generosity to the SVP. If you know anyone who would benefit from support/ befriending, please call 07490387384 and leave a message. We meet on Mondays at 6:45pm in the parish hall and new members are always welcome.

Harvest Donations

October is the time when we usually celebrate the Harvest. At next Sunday's 10am Mass, the children of our parish will present donations to the Lord. So, if you could bring a tin of food next week to contribute to that, that would be great.

Parish Welcome Team

Our parish meeting on Thursday reminded me once again how important our welcomers are at Mass and other parish events. Our current welcomers already make this a very welcoming parish. The simple act of handing out a leaflet and smiling or even having a chat makes such a difference to anyone visiting the parish for the first time. It was noted that this was particularly important for students new to the area. It could also be a simple invitation to the Sunday morning refreshments. It would be wonderful to expand our current teams at each Mass. So, please, please, please volunteer!
