Strasbourg - France

# Karmen Camina

Karmen Camina is an hybrid cultural venue located in the former Strasbourg Tobacco Factory, in the heart of the Krutenau district.

Karmen Camina is a place for meeting, freedom, creation, and expression—open—with a commitment to ecological and social progress, sound and visual creation, and all forms of experimentation and creative innovation that bring people together: concerts, performances, Klub Camina long formats, residencies, conferences, café by day and bar by night.

Karmen Camina is run by the Tiers-Lab cooperative, made up of entrepreneurs and independent creatives from Strasbourg's alternative cultural community.
