#### **Basic daily fee**

The basic daily fee is an amount that everyone can be asked to pay. This fee is set by the government at a percentage of the single basic age pension; it varies depending on your Home Care Package level. The basic daily fee changes in March and September each year in line with the age pension. **Five Good Friends does not charge this fee.** 

#### Income tested care fee (ITF)

The income tested care fee is an extra contribution that some people pay, as determined through an income assessment. It is determined by Services Australia based on your individual income. People with income above certain thresholds will be asked to contribute extra, which Five Good Friends must collect.

## Five Good Friends indicative market rate per hour

Five Good Friends uses a combination of employees and verified independent contractors to deliver care and services. Five Good Friends sets a indicative market rate per hour for services, however, prices may vary based on individual circumstances. The contracted prices for services delivered by Five Good Friends are discussed with you and detailed in your budget when you become a Five Good Friends Member.

## Third-party products and services

There are many other services you can access through a Home Care Package based on your ageing-related care needs. These may be provided by one of our trusted third-party partners. This can include allied health services, home maintenance, aids or equipment which may also form part of your help plan. Prices for these services may vary by provider. Five Good Friends will gain your approval for these costs and coordinate services for you.

Prices current as of 21 July 2025.
