Dear VoIP-PAL Shareholders,

You may have seen the news that the Company has engaged a major US lawfirm to help with our ongoing suits. Mr Ged is a nationally renowned attorney who has significant experience in class action and mass tort lawsuits. I have included 2 links to interviews with Mr Ged where he discusses his experience including the cases he has against Johnson and Johnson and RoundUp. He was also featured in a Forbes magazine article just a few weeks ago. That link is also below.
