The word "outstanding" is used to describe something that is extremely good, excellent, or exceptional. It can be used to talk about a person's achievement, their performance, or the quality of something. ===== An outstanding player has received numerous awards for their exceptional skills on the field. A perfect score in a difficult exam demonstrates an outstanding level of knowledge and understanding. A superb hotel provides luxurious amenities and excellent customer service, making it an ideal choice for travelers. An outstanding achievement is one that exceeds expectations and sets a new standard for others to follow. A person with outstanding leadership skills can inspire and motivate their team to achieve great things. The outstanding features of this landscape are its unique rock formations and vibrant wildflowers. This painting showcases the artist's exceptional skill in capturing light and color. One thing that makes an outstanding teacher is their ability to make complex concepts easy to understand. A business with outstanding customer service will see increased sales and loyalty from satisfied customers. Exceptional cases that defy the general rule have been observed. Among these menu items stood out the tomato soup and swordfish. These exceptions to the norm are exceptional in their own right. The term outstanding has multiple meanings. In one context, it describes something that is exceptionally good or of high quality. An outstanding performance by an athlete would be a notable achievement. Another connotation is being noticeable or conspicuous. A person wearing bright colors and flashy accessories would draw attention to themselves. Outstanding can also refer to something still in existence, not settled or resolved. Unpaid bills or unresolved issues between countries are examples of this usage. In the realm of finance, outstanding shares refer to publicly issued and sold stock. This term is specific to the stock market and describes a particular type of security. In general usage, outstanding can imply projecting or jutting outwards. A building with an overhanging roof would be described as having an outstanding feature. Note: I chose the "WRITE AS A NON-NATIVE ENGLISH SPEAKER (NNES)" method for rewriting this text to create a more dynamic and varied structure. ===== You have several outstanding tasks to complete. Check your list and make sure you tackle them today. Collins Thesaurus of the English Language - Complete and Unabridged 2nd Edition. 2002 HarperCollins Publishers 1995, 2002 The inventor had been working on this new project for quite some time now, but he didn't get much attention from anyone yet. He decided to write an article about his breakthrough in flying machines to publish in all the major London newspapers. After finishing the manuscript, he sent it to several papers, including The Times and The Daily Telegraph. He was confident that once people saw how well his machine could work, they would finally understand why he had been working so hard on this project for so long. His friend, Brown, who owed him a large sum of money from their previous whist game, had also been talking about the Colonel before he came to visit him. The Colonel was known for his imposing figure, with a thick beard and grizzled hair, but his face looked pale and tired. Suddenly, I felt a strange sensation as if everything around me had tilted slightly - even the stars in the sky seemed to be leaning away from it.
