

ANNA APOSTOLOPOULOS

CAREER OBJECTIVE

Creative and detail-oriented animator with 5+ years of hands-on experience in 3D animation, character modeling, and storytelling. Proven success in both academic and professional projects, with a strong ability to collaborate across teams and bring complex ideas to life. Proficient in full-cycle production, from storyboard to final rendering. Passionate about crafting visually compelling, audience-driven content that merges artistic vision with technical excellence.

PROFESSIONAL EXPERIENCE

FESTIVAL HEADQUARTERS & THEATER VOLUNTEER

Breck Film Festival | September 21, 2025 – September 22, 2025

- Responsible for taking care of the tickets, passes, merchandise, and marketing in the main office and theaters.
- Organizing the filmmakers, volunteers, and guests to ensure they have the best experience with smooth and charismatic efficiency.
- Improved overall productivity and task completion by 20% through flexibility and adaptability of environments, assigned roles, and designated jobs.

VIDEO & MEDIA PRODUCTION SPECIALIST

Fresh Biz Solutions, LLC | June 2024 – Present

- Edit and produce multimedia content for corporate clients, supporting leadership training and keynote presentations.
- Increased post-production turnaround speed by 25% through process improvements and efficient editing workflows.
- Provide logistical and administrative support for events, data analysis, and content research.

LEAD ANIMATOR & PRODUCTION COORDINATOR

Bathroom Stall Galactica – University of Colorado Denver | 2022 – 2024

- Directed production planning for a student-led animated short; managed weekly meetings and delegated roles to 6+ team members.
- Created detailed storyboards, modeled and rigged 100% of characters, and facilitated asset transfer from Maya to Unreal Engine.
- Oversaw final rendering and compositing phases, ensuring timely delivery of a cohesive, polished short film.

ANIMATOR & SCRIPTWRITER

PJ's Convenience Store Commercial – University of Colorado Denver | Sept – Nov 2022

- Wrote script, designed visual sequences, and animated key scenes for an original advertisement.
- Modeled 3D environments and led character rigging for three stylized figures used in the final commercial.
- Managed audio syncing and visual effects, resulting in a high-impact, classroom-presented piece.

GRAPHIC DESIGN INTERN – MERCHANDISE PRODUCTION

Never Summer Industries – Warren Tech | Denver, CO | 2018 – 2020

- Designed branding merchandise including 30+ banners, 100+ stickers/decals, and posters.
- Operated vinyl cutters, plotters, ink press machines, button machines, and heat presses to meet client quality standards and production deadlines.
- Collaborated directly with clients to translate marketing goals into cohesive visual assets.
