

WESUPPORT Provider *Engagement* & *Education* Offerings

WESUPPORT offers a menu of engaging, relevant webinars designed to support provider agencies and their teams at no cost.

Customized Webinars for Provider Teams

WESUPPORT offers a menu of free, engaging, relevant webinars designed to support provider agencies and their teams. Led by experienced locally and nationally certified Peer Support Specialists, these sessions focus on enhancing knowledge, strengthening collaboration, and promoting recovery-oriented care.

All webinars can be individualized and tailored to meet the specific needs, goals, and culture of your agency or team. Whether you're looking for foundational training or a deeper dive into a particular topic, we'll work with you to customize the experience.

Topics include:

Addressing Vicarious Trauma and Compassion Fatigue

Harm Reduction

Mobilizing Strengths in Recovery

What is Peer Support?

Using the WEconnect App: A Provider Walkthrough

Unpacking Grief: Providing Compassionate Support

Exploring Many Pathways to Recovery

Supporting Self-Advocacy

Meet the Peers!

Mental Models and Service Delivery

Co-Working Space with the Pomodoro Method

Triple P Parenting Seminar Series

Addressing Compassion Fatigue and Burnout

Additional Provider Support Offerings

Quarterly Provider Newsletter

Stay connected with stories from members, wellness tips, resources, updates on new app features, and upcoming events.

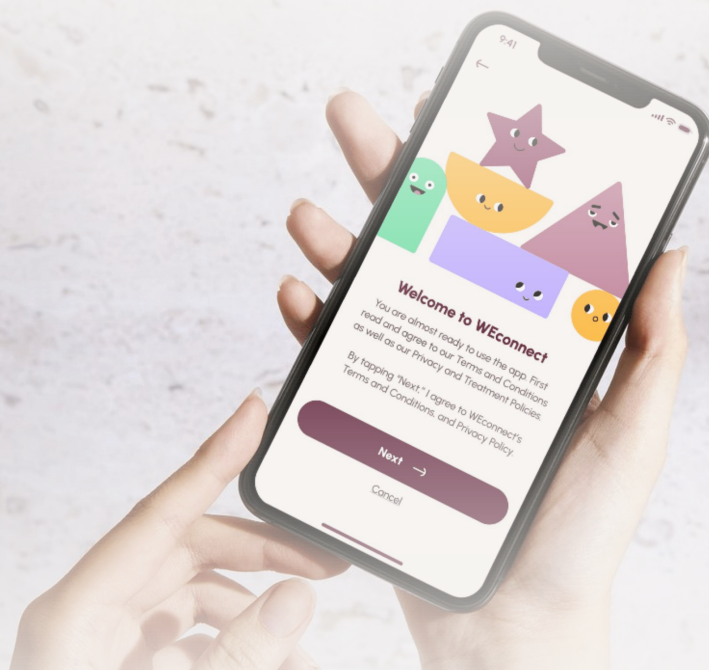

Provider & Agency Recognition

Each quarter, we highlight a provider or agency going above and beyond in their work!

- Individual providers can win a gift card for a meaningful experience or item.
- Winning agencies can enjoy lunch for the whole team!

Collaborative Member Support

We partner with you to support onboarding, coordinate service delivery, and co-create recovery plans tailored to the needs of those you support.

Stay Tuned!

More exciting provider-focused resources and opportunities are on the way. Let's continue building a strong recovery-oriented community together.
