

BelPeyi Studio

Intercultural Research, Strategy & Creation Services

For a sensitive and aesthetic diplomacy

Who we are

BelPeyi is an international, collaborative research-creation studio specializing in intercultural research, innovation, and community-based initiatives.

We explore cultural imaginaries, social perceptions, symbolic systems, and intangible cultural heritage.

We support institutions and organizations in understanding complex cultural contexts and identifying opportunities for dialogue, cultural valorization, and innovative approaches to mediation and collaboration.

Understand

Conceptualize

Implement

Our Services

1 - Intercultural Diagnostics

Understand cultural dynamics and identify opportunities for intercultural dialogue and cultural valorization

2 - Project Conceptualization

Turn challenges into structured, tailored research-creation projects

3 - Research-Creation Pilots
