FOR EARLY BIRDS

For all early birds for whom our first meal is too late, we put together a sensational packed lunch to go, with delicious sandwiches, homemade power bars, fresh fruit, cold brew coffee and a homemade power drink as well as a bottle of water for the journey.

Are you leaving early or do you want to get a healthy start to the day as soon as you get up? Then simply let our team know and we will take care of the refreshments for your perfect start to the next morning.

Of course, we also offer a flexible selection for an extensive breakfast in your room on request.

KAVIAR-LOVER?

Speaking of a mega breakfast in your room: with our gourmet deal, you can look forward to a sumptuous caviar breakfast, served directly in our unique rooftop suite with private roof terrace and private sauna.

And that’s not all, of course! You can find more information and details about the deal on our website
