Welcome to...

BLACKBIRD BAR & DINING

Blackbird Bar and Restaurant is a standout destination among Melbourne CBD's premium dining venues. Offering a modern Australian menu that celebrates native ingredients, in-house, dry-aged beef all expertly wood-fire grilled and fresh seafood from across the country.

This marks the first interstate expansion of the iconic, award-winning Blackbird Brisbane. The Melbourne location offers three distinct levels: a warm and inviting street level cocktail bar and lounge with DJs to welcome the after-work crowd and pre- and post-dining guests, an opulent, split-level restaurant above, and an exclusive floor dedicated to private dining and events, complete with a dedicated bar.
