A LOOK INTO TAQUERIA LA VENTANA

Taqueria La Ventana® (translates to "the window") is a funky, fast-casual taqueria offering everyday, authentic Mexican food. Our traditional street-style fare will transport you south-of-the-border through a culinary and cultural experience.

It began with a simple street taco - a small, agile taco that adapts to life on the go and makes up for its small size with amazing, fresh flavor.

Consuming raw or undercooked meats, poultry, seafood, or eggs may increase your risk of foodborne illness, especially if you have a medical condition. Please notify your server if you have any special dietary needs or preparation requests. However, be aware that our normal kitchen operations involve shared cooking & preparation areas, including common fryer oil, containing milk, egg, fish, crustacean, shellfish, tree nuts, wheat & peanuts. Therefore, we cannot guarantee that any menu item can be completely free of allergen.
