

SNAP *Cap*

Effortlessly pour and store your paint like a pro with the Handy Snap Cap. This silicone-based, easy-to-clean lid is designed for both metal and plastic 1-gallon paint cans. Its has a collapsible pour spout and a vent, ensuring a smooth and mess-free pouring experience. When you're done painting, simply collapse the spout and seal the air vent to create an airtight seal. This guarantees that your paint stays fresh and ready for your next project. Upgrade your painting routine with the convenience and functionality of the Handy Snap Cap.
