

CALIFORNIA PROPOSITION 65 DECLARATION

The “California Proposition 65” is commonly referred to as “Safe Drinking Water and Toxic Enforcement Act of 1986”, which has been adopted by the State of California. This Act states that any chemical “Known to the State (California)” to cause cancer or reproductive toxicity is considered a health hazard and individuals exposed to the chemicals must be warned.

This is to inform that our products mentioned above produced by DeRuosi Nut does not have any chemicals mentioned on the list of State of California which require any warning. The product is food grade, and no harmful chemicals are added during processing or in packaging.
