  - Tag markings must include the PO # / Contract # you provide on your sales contract.
  - If tag markings are not received, we will use our generic markings.

  - Booking confirmations must contain consignee information for destinations that require phytosanitary certificates.
  - Any destinations that do not require a phytosanitary certificate, but the customer requests it will pay an upcharge of \$100/load and if a revision is needed it will be an additional \$100/phyto.
  - Any special requirements (ex. photos of tag on the bag prior to shipment) must be stated on the booking confirmations.
