

Welcome Bonus \$100 — Terms and Conditions

1. Purpose of the Welcome Bonus

- 1.1 The purpose of the Welcome Bonus is to simplify the entrance to trading for beginners. It allows new Clients to start trading with small capital, to learn and test trading in real market conditions and/or to test the Company's trading conditions and execution quality, without committing significant funds upfront.
- 1.2 The Welcome Bonus is intended solely to support genuine trading by new Clients. It is not intended to provide guaranteed, risk-free or arbitrage profit.

2. Benefits of the Welcome Bonus

The Welcome Bonus provides the following benefits to the Client:

- 2.1 **Increased buying power.** The Bonus Credit is added to the Client's Equity and Free Margin, increasing the trading capacity available to the Client beyond the Client's own deposit.
- 2.2 **Flexibility to try different instruments.** The additional trading capacity gives the Client more flexibility to try trading different instruments available on the Standard account during the Client's start period with the Company, and to get to know the Company's services.
- 2.3 **Stop Out cushion.** As the Bonus Credit forms part of the Client's Equity, it acts as a cushion against Stop Out. While Equity remains at or above the Client's Own Funds, the Bonus Credit stays in the Eligible Account and supports the Client's open positions. This allows the Client to withstand a larger drawdown than the Client's own funds alone would allow, which is in effect equivalent to a 0% Stop Out level in relation to the Client's own funds. Once Equity falls below the Client's Own Funds, the Bonus Credit may be removed at any time in accordance with clause 7.2.
- 2.4 **Negative Balance Protection.** All Clients are protected from a negative balance. The Client will never owe the Company money if trading is unsuccessful (see clause 7.5).

3. Acceptance

- 3.1 By accepting the Welcome Bonus, the Client confirms acceptance of these Terms, the Client Agreement, Risk Disclosure, and the Company's AML/KYC policies. In case of inconsistency, the Client Agreement prevails, save for matters expressly addressed herein.

4. Definitions

"Client" means a natural person who has opened a live trading account with the Company and successfully completed KYC verification.

"Welcome Bonus" means the non-cashable trading credit of USD 100 granted under these Terms.

"Qualifying Deposit" means the Client's first external deposit of at least USD 50 (or equivalent) into an Eligible Account.

"Eligible Account" means a Standard live trading account opened by the Client with the Company.

"Cash Balance" means the Client's own deposited funds, excluding any Bonus Credit.

"Bonus Credit" means trading credit granted under these Terms, recorded separately from the Cash Balance.

"Equity" means the sum of the Cash Balance and the Bonus Credit, plus or minus the floating profit or loss of open positions in the Eligible Account.

"Own Funds" means the total amount of the Client's own funds deposited into the Eligible Account, including the Qualifying Deposit, less any withdrawals, and excluding any Bonus Credit.

"Stop Out" means the automatic closure of open positions by the trading platform when the Margin Level of the Eligible Account reaches the applicable Stop Out level.

"Bonus Period" means the period of 30 calendar days from activation of the Welcome Bonus.

5. Eligibility

- 5.1 The Welcome Bonus is available exclusively to new Clients who have not previously received any Welcome Bonus from the Company, are at least 18 years of age, have successfully completed KYC verification, and have made a Qualifying Deposit.
- 5.2 Only one (1) Welcome Bonus is available per Client, and the granted Bonus Credit is limited to a single Eligible Account. The Company applies deduplication checks across KYC data, name, email, phone number, IP address, device or browser fingerprint,

residential address, payment method, card, bank account, crypto wallet, household, and related parties. Duplicate, related, or coordinated participation will result in cancellation of the Bonus, any related profit, and any related partner remuneration.

6. The Welcome Bonus Credit

- 6.1 Upon a Qualifying Deposit being credited to the Eligible Account of a verified Client, the Company shall credit the Welcome Bonus as a non-cashable trading credit. The Bonus Credit increases the Client's Equity and Free Margin for trading purposes only and is not part of the Client's withdrawable balance.
- 6.2 Any deposit method available in the Client Area is eligible, including bank cards, electronic wallets, bank transfers, and cryptocurrencies, subject to the Company's AML, source-of-funds, and payment ownership checks. Third-party deposits are not permitted. The Company may delay, refuse, or cancel the Bonus or any withdrawal where payment, ownership, or source of funds is not reasonably confirmed.

7. Trading, Losses, Profits and Negative Balance Protection

- 7.1 **Order of losses.** The Bonus Credit forms part of the Eligible Account Equity. Trading losses shall first be deducted from the Client's Cash Balance.
- 7.2 **Bonus removal in case of losses.** Once Equity falls below the Client's Own Funds, the Company may, at its sole discretion, reduce or remove the Bonus Credit, in whole or in part, at any time and without prior notice. Such removal reduces Equity and Margin Level and may result in the immediate closure of all open positions (Stop Out).
- 7.3 **Margin requirements.** Clause 7.2 does not replace the Stop Out level of the Eligible Account. Standard margin requirements and the Stop Out level continue to apply and are calculated on Equity including the Bonus Credit.
- 7.4 **Profits.** Profit realized from trading, whether utilizing Cash Balance, Bonus Credit, or both, shall accrue to the Cash Balance and is freely withdrawable in accordance with the Company's normal withdrawal policy.
- 7.5 **Negative Balance Protection.** All Clients are protected from a negative balance. Where the balance of the Eligible Account becomes negative as a result of trading losses, a Stop Out, or the removal of the Bonus Credit under clause 7.2, the Company shall reset the balance to zero, and the Client shall not owe the Company any amount. The Client's losses can never exceed the Client's Cash Balance.
- 7.6 Negative Balance Protection is provided for genuine trading. Where a negative balance results from conduct prohibited under clause 9, the Company may, in addition to its rights

under clause 9.2, offset such negative balance against funds held in any other account of the Client or of related parties.

8. Withdrawals and Cancellation

- 8.1 Any withdrawal or internal transfer of funds from the Eligible Account during the Bonus Period shall result in the immediate and full cancellation of the active Welcome Bonus, before the request is processed. Profit already accrued to the Cash Balance is unaffected.
- 8.2 The Welcome Bonus may be cancelled and will not be restored where:
- (a) Equity falls below the Client's Own Funds (clause 7.2);
 - (b) a Stop Out event occurs on the Eligible Account;
 - (c) the Qualifying Deposit is reversed, charged back, or found to be third-party or non-compliant;
 - (d) KYC/AML requirements are not satisfied;
 - (e) the account is closed or archived; or
 - (f) the Client is found in breach of these Terms or any Company policy.
- 8.3 The Company shall not be liable for any consequences arising from the cancellation of the Welcome Bonus, including, but not limited to, the closure of open positions or any resulting losses.

9. Prohibited Conduct

- 9.1 The Welcome Bonus is intended to support genuine trading. The Client must not engage in: multi-accounting; coordinated or related-party participation; internal or external hedging; latency, statistical or price arbitrage; news-gap or platform exploitation; abuse of Negative Balance Protection; chargeback abuse; VPN or proxy misrepresentation; false or misleading documentation; the use of automated systems or copy-trading that generate artificial volume without genuine market risk; or any other abusive, fraudulent, or bad-faith activity.
- 9.2 Where the Company identifies, in its reasonable judgment, any conduct under clause 9.1, or any accounts connected through shared identifiers under clause 5.2, the Company may cancel the Welcome Bonus and any related profit, disqualify all related accounts, and reverse any related partner remuneration. The Company's decision in any anti-abuse determination shall be final and binding.

10. Partner Remuneration

- 10.1 No CPA payment is payable to introducing brokers or affiliates under the Welcome Bonus. For lot-based partner remuneration, the Company may exclude any trading volume supported by the Welcome Bonus from commission calculations and may reverse partner remuneration where abuse, coordinated trading, or bonus farming is suspected.

11. General

- 11.1 The Company may amend, suspend, or terminate the Promotion at any time at its sole discretion, including for reasons of suspected abuse, regulatory restrictions, technical errors, payment issues, system limitations, AML concerns, or commercial reasons. Where reasonably practicable, prior notice shall be given.
- 11.2 **Property of the Company.** The Welcome Bonus and the Bonus Credit are and remain the property of the Company. The Company may remove the Bonus Credit, in whole or in part, at any time: (a) where the Client violates any provision of these Terms, the Client Agreement or any other Company policy; or (b) at its sole discretion and without giving any explanation, where the Company considers it necessary to protect its own interests. The Client shall have no claim against the Company in connection with such removal. Negative Balance Protection under clause 7.5 continues to apply.
- 11.3 The Client may opt out of the Welcome Bonus at any time by requesting the Company's support service. Upon receipt of such a request, the Bonus Credit shall be removed from the Eligible Account.
- 11.4 In case of inconsistency between the English version of these Terms and any translation, the English version prevails.
