

**IBEW ULC**  
Utility Labor Council of NY

**IBEW UTILITY LABOR COUNCIL OF NEW YORK STATE / UWUA 1-2  
STATEWIDE CALL-IN FRIDAY**

**Senator Hinchey: 518-455-2350 (Albany)**

**Senator Hinchey: 845-331-3810 (Kingston)**

*Below is a script to help with your call to Senator Hinchey. Please feel free to personalize the script to better make your point. You will need to let her staff know that you are a constituent and a voter. **Senate District 46** is in the counties of Montgomery and Greene and the communities of Kingston, Saugerties, Woodstock, Windham and East Durham.*

- **"Hello, my name is [insert your name] and I am your constituent from [insert city, New York].**
- I am calling to urge Senator Hinchey to oppose, S.5939A, the short-sighted proposal to effectively ban natural gas in New York State.
- This will cause power bills to go through the roof, rolling black outs throughout the summer, and the loss of hundreds, if not thousands, of good paying jobs that can support a family.
- As we move toward a green economy, please make sure that we are doing it the right way.
- Please ask the senator to remove her name as a sponsor of this bill and vote "no" if it comes before the senate for a full vote.
- **Thank you for your time and for considering my request for your support. Understand that your vote on this issue now determines my vote in November. Thank you."**
