

C-69742 Gas Mechanic B

Description:

Pay Rate:

Location: Beacon North

Supervisor: Michael Finsel

Unposting Date: 09-16-2025

About the position: Under direct supervision to perform the less complex types of installation and repair work on gas transmission, distribution and regulating systems including the operation of trenching machines, backhoes, loaders, sidebooms, tamping machines, pipe boring machines, plastic fusion equipment, etc; to install, maintain and replace mains and services and relight customers' appliances incidental to replacement or renewal services; to cut and thread pipe; to do less skilled welding; perform various jobs which require considerable knowledge and experience; to assist in training employees in a lower classification and as proficiency increases to perform work of progressively increasing variety and complexity.

Under general supervision to make regular and special inspections, surveys and perform such duties as: patrol transmission and distribution lines for potential hazards; make vegetation surveys and locate leaks by various means as required; inspect manholes and other subsurface structures for presence of gas or other unsafe conditions; locate Company underground facilities in connection with excavation by others and make such follow-ups as may be necessary.

Job Qualifications:

- Must have completed satisfactory training as a Gas Mechanic A.
- Must pass physical abilities examination.
- Must pass validated aptitude test.

NOTE: Employees who demonstrate their aptitude for this work and establish a satisfactory record during two years of employment in this position will be promoted to a Gas Mechanic C. A satisfactory record must include the successful completion of Gas Mechanic C school, plastic fusion and acetylene welding certification as required.

Please be advised that due to the nature of this position, incumbents are subject to federal Drug & Alcohol safety regulations governing US Department of Transportation ("DOT") covered positions, including the Federal Motor Carrier Safety Administration (FMCSA) and Pipeline Hazardous Material Safety Administration (PHMSA). As such, the Company's testing programs and policies regarding the use of federally prohibited drugs or alcohol, for recreational or medical purposes, will remain in effect for these safety-sensitive, DOT covered positions.

Many of the terms and conditions of employment for this position are defined by the current L97 and/or L97C collective bargaining agreements (CBA's). Employees awarded positions are subject to and bound by the terms of these CBA's as well as other agreements (MOA's, MOU's, ...) between the Company and Union. If you have any questions please contact a L97, L97C Union Steward.

L97C bidding procedure:

All employees who are covered by the terms of the L97C CBA (Gold Book) are required, starting May 5, 2024, to submit job bids on or before the above close date **electronically through the Sodales job bidding system**. Employees must submit bids through Sodales for both Gold and Blue Book positions. The Company will not be accepting bids from L97C represented employees via email, fax or paper going forward. Information on accessing and using Sodales can be found on Gridhome, as well as this link sending you directly to Sodales.

Candidates will be considered based on their seniority and the information provided on your application. Candidates who choose to submit incomplete applications may be deemed unqualified or ineligible for the posted position.

L97 bidding procedure:

All employees who are covered by the terms of the L97 CBA (Blue Book) are required, to submit bids on or before the above close date electronically through Sodales job bidding system (**highly recommended**), emailing bids to RecruitingNY@nationalgrid.com or fax bids to (315)401-7890.

Bidders seeking to be considered have the responsibility to fully set forth your qualifications on the job vacancy bid form. Candidates will be considered based on their seniority and the information provided on, or attached to, the bid form. Candidates who choose to submit incomplete forms may be deemed unqualified or ineligible for the posted position.
