

W-5441 Field Tester C Electric

Description:

Pay Rate [REDACTED]

Location: Buffalo

Supervisor: Corey Watts

Unposting Date: 01-27-2026

Job Responsibilities: Under general supervision to perform such duties as: wire, install, test and maintain watthour meters and associated equipment, including current transformer installations; perform routine testing of protective equipment in a protected and interlocked area; install and remove recording meters; perform infra-red tests as required; test simpler types of relays and control devices in a shop; perform investigations and tests of a routine nature including corrosion when complexity is comparable to other duties in this classification, submit data as required; and assist Field Testers of higher classification. Under direct supervision in the field to test relays and control devices.

Job Qualifications:

- Must have two years' experience as a Field Tester B - Electric;
- Prior to job award, the employee must have successfully completed a course in the Instrument Transformers and Watthour Metering or successful completion of the equivalent agreed upon by Management and the Brotherhood
- Must pass validated aptitude test.

NOTE: The progression from Field Tester C - (Electric) to Field Tester D -(Electric) will occur over a two year period. To qualify for automatic progression to the D level, the employee will be required to have satisfactorily demonstrated proficiency in field testing in the electric discipline during the two years as a Field Tester C - (Electric).

Many of the terms and conditions of employment for this position are defined by the current L97 and/or L97C collective bargaining agreements (CBA's). Employees awarded positions are subject to and bound by the terms of these CBA's as well as other agreements (MOA's, MOU's, ...) between the Company and Union. If you have any questions please contact a L97, L97C Union Steward.

L97C bidding procedure:

All employees who are covered by the terms of the L97C CBA (Gold Book) are required, starting

May 5, 2024, to submit job bids on or before the above close date **electronically through the Sodales job bidding system**. Employees must submit bids through Sodales for both Gold and Blue Book positions. The Company will not be accepting bids from L97C represented employees via email, fax or paper going forward. Information on accessing and using Sodales can be found on Gridhome, as well as this link sending you directly to Sodales.

Candidates will be considered based on their seniority and the information provided on your application. Candidates who choose to submit incomplete applications may be deemed unqualified or ineligible for the posted position.

L97 bidding procedure:

All employees who are covered by the terms of the L97 CBA (Blue Book) are required, to submit bids on or before the above close date electronically through Sodales job bidding system (**highly recommended**), emailing bids to RecruitingNY@nationalgrid.com or fax bids to (315)401-7890.

Bidders seeking to be considered have the responsibility to fully set forth your qualifications on the job vacancy bid form. Candidates will be considered based on their seniority and the information provided on, or attached to, the bid form. Candidates who choose to submit incomplete forms may be deemed unqualified or ineligible for the posted position.
