About the Position:

Under general supervision to install, test and maintain the radio systems including carrier where not used for protective relaying and microwave where pertaining to radio communications systems; to maintain complete records of radio systems as required by F.C.C.; to install and maintain data collection, tone equipment not associated with protective relays and station breakers and associated equipment; to install, test, and maintain equipment of comparable complexity; and to submit reports requiring conclusions or recommendations relating to these job duties; to install, test and maintain voltage reduction control units; and to assist testers of a higher classification.

Job Qualifications:

- Must have minimum two years' satisfactory performance as communications Tester A and demonstrate proficiency in related work. Satisfactory performance as a Communications Tester A shall include successful completion of a Communications Tester B school.
- Must pass validated aptitude test.

Many of the terms and conditions of employment for this position are defined by the current L97 and/or L97C collective bargaining agreements (CBA's). Employees awarded positions are subject to and bound by the terms of these CBA's as well as other agreements (MOA's, MOU's, ...) between the Company and Union. If you have any questions please contact a L97, L97C Union Steward.

L97C bidding procedure:

All employees who are covered by the terms of the L97C CBA (Gold Book) are required, starting May 5, 2024, to submit job bids on or before the above close date **electronically through the**

Sodales job bidding system. Employees must submit bids through Sodales for both Gold and Blue Book positions. The Company will not be accepting bids from L97C represented employees via email, fax or paper going forward. Information on accessing and using Sodales can be found on Gridhome, as well as this link sending you directly to Sodales.

Candidates will be considered based on their seniority and the information provided on your application. Candidates who choose to submit incomplete applications may be deemed unqualified or ineligible for the posted position.

L97 bidding procedure:

All employees who are covered by the terms of the L97 CBA (Blue Book) are required, to submit bids on or before the above close date electronically through Sodales job bidding system (**highly recommended**), emailing bids to RecruitingNY@nationalgrid.com or fax bids to (315)401-7890.

Bidders seeking to be considered have the responsibility to fully set forth your qualifications on the job vacancy bid form. Candidates will be considered based on their seniority and the information provided on, or attached to, the bid form. Candidates who choose to submit incomplete forms may be deemed unqualified or ineligible for the posted position.
