

W-9215 Field Tester D Electric

Description:

Pay Rate 

Location: Batavia

Supervisor: Jason Van Note

Unposting Date: 06-16-2026

Job Responsibilities: Under general supervision to wire, install, test and maintain watt-hour meters, recording meters, demand devices and associated equipment including installations where both current transformers and potential transformers are used; to investigate, analyze and resolve voltage and shock complaints; to perform such duties as: polyphase load checks, insulation testing of equipment outside of a protected and interlocked area; preliminary and final station ground tests; complex corrosion tests as required; inspections, investigations or tests of a non-routine nature where complexity is comparable to other duties in this classification; submit data as required; and to assist testers of higher classification.

Job Qualifications:

- Must have satisfactorily completed accredited courses in Mathematics through Trigonometry, DC and AC Circuits including Magnetism and Polyphase Theory, Basic Electrical and Mechanical Diagrams, and Fundamental Solid State Electronics or successful completion of the equivalent agreed upon by Management and the Brotherhood;
- Must have satisfactorily demonstrated proficiency in field testing during two years as a Field Tester C.
- Must pass validated aptitude test.

Many of the terms and conditions of employment for this position are defined by the current L97 and/or L97C collective bargaining agreements (CBA's). Employees awarded positions are subject to and bound by the terms of these CBA's as well as other agreements (MOA's, MOU's, ...) between the Company and Union. If you have any questions please contact a L97, L97C Union Steward.

L97C bidding procedure:

All employees who are covered by the terms of the L97C CBA (Gold Book) are required, starting May 5, 2024, to submit job bids on or before the above close date **electronically through the**

Sodales job bidding system. Employees must submit bids through Sodales for both Gold and Blue Book positions. The Company will not be accepting bids from L97C represented employees via email, fax or paper going forward. Information on accessing and using Sodales can be found on Gridhome, as well as this link sending you directly to Sodales.

Candidates will be considered based on their seniority and the information provided on your application. Candidates who choose to submit incomplete applications may be deemed unqualified or ineligible for the posted position.

L97 bidding procedure:

All employees who are covered by the terms of the L97 CBA (Blue Book) are required, to submit bids on or before the above close date electronically through Sodales job bidding system (**highly recommended**), emailing bids to RecruitingNY@nationalgrid.com or fax bids to (315)401-7890.

Bidders seeking to be considered have the responsibility to fully set forth your qualifications on the job vacancy bid form. Candidates will be considered based on their seniority and the information provided on, or attached to, the bid form. Candidates who choose to submit incomplete forms may be deemed unqualified or ineligible for the posted position.
