SOLIDS

Sauleda manufactures more than 130 solid colors in 100 % solution dyed acrylic fabrics to enjoy optimal sun protection and is offering for the US market following color selection.

MOSAİK

A technology that allows the creation of color combinations never seen before, Mosaik offers a unique yarn with variations of tones and shapes to give free rein to the imagination. This technology uses randomness to create a unique thread in every yard

Sauleda Masacril® fabrics increase their repellency without losing breathability and have a unique finish that gives them great resistance against stains, which increases color stability and extends their life.

FABRIC SPECIFICATIONS

BASE FABRIC	100 % Solution dyed Acrylic
WARRANTY	 UP TO 10 YEARS GUARANTEE
WEIGHT	9oz/sqyd
WATER COLUMN	14.17''
WIDTHS	47'' / 60'' / 79''
STANDARD PUT UPS	65.6 YARDS (47'') 54.7 YARDS (60'' and 79'')
AVAILABLE IN FULL ROLLS OR CUT YARDAGE	

 Dimensional Stability	 Quick Drying	 Breathable
 Maximum Resistance	 Anti Stain	 Water Repellent
 Antibacterial	 Climatic	 Reversible
 Anti UVI	 Respects the Environment	 Easy to Maintain

MAINTENANCE

- Eliminate the dirt by gently brushing or vacuuming the fabric.
- Occasionally use a water and soft soap solution to clean the fabric (max. 90° F).
- Apply to the fabric and then rinse with running water.
- Let the fabric dry completely.
- Do not use solvents or abrasive detergents.

BARRIER EFFECT

All our acrylic fabrics have been impregnated with Sauleda Fabric Protector. This creates a barrier effect and reinforces the water-repellent properties of the fabric. Furthermore, it delays the adherence of dirt to the fabric.

It is important to know that agents such as acid rain or bird excrements, and washing the fabric with abrasive products may damage the Sauleda Fabric Protector coating.
