Roundhouse AI LTD.

("Roundhouse" or the "Company")

Proposed Admission to Trading on AIM
&
Cancellation of Trading on AQSE Growth Market

Roundhouse (AQSE: ETHL), an artificial intelligence technology company, is pleased to announce its intention to apply for the admission of its entire issued and to be issued ordinary share capital ("**Ordinary Shares**") to trading on the AIM market of the London Stock Exchange ("**AIM**") ("**Admission**") and, simultaneously, to cancel the admission of its Ordinary Shares currently admitted to trading on the Access segment of the AQSE Growth Market ("**Cancellation**").

Background to and reasons for the move to AIM
The Company was admitted to trading on the Access segment of the AQSE Growth Market on 30 January 2026.

Roundhouse is a technology company specialising in artificial intelligence (AI) agent deployment infrastructure. Over the past few months, the Company has further developed its technology considerably and in conjunction with its intended move to AIM will be launching a public analytics dashboard at roundhouseai.io serving as trust and data infrastructure solution for the AI agent economy.

The Directors of the Company (the "**Board**") consider that a move to AIM at this pivotal stage of its development will be in the best interests of the Company and its shareholders. The Board believes that AIM is a more appropriate market for the Company and that Admission may enable it to attract a wider international pool of investors, potentially improve liquidity in the Ordinary Shares over time and enhance the Company's profile with customers, partners and the wider investment community. The Company intends to raise new capital in conjunction with the Admission and further details will be announced in due course.

Admission process
The Admission process is ongoing, and the Company will make a further announcement in due course when a Schedule One announcement in respect of the Company's intention to move to AIM is published. The Company with its advisers is preparing an AIM admission document which will be published prior to Admission and will be made available on the Company's website at, https://www.roundhouseai.io/.

Cancellation of trading on the AQSE Growth Market
Cancellation of the trading of the Ordinary Shares on the AQSE Growth Market will take place simultaneously with Admission. Following Admission, the Company's Ordinary Shares will no longer be traded on the AQSE Growth Market.

Ticker and ISIN
On Admission, the Company's TIDM is expected to change to **RHAI**.

The Company's ISIN will continue to be SGXZ84721265 following Admission.
